About this Survey -

Survey Sponsor: American Research Group, Inc.

The American Research Group has been conducting surveys of voters since 1985.

Sample Size: 600 completed telephone interviews among a random sample of likely Republican caucus goers living in Iowa (527 Republicans and 73 no party (independent) voters).

Sample Dates: December 20-23, 2007

Margin of Error: ± 4 percentage points, 95% of the time, on questions where opinion is evenly split.

Incidence of Likely Republican Caucus Participation: 8.7% of Republican and no party voters.

Question Wording:

If the 2008 Republican presidential caucus were being held today between (names rotated) Rudy Giuliani, Mike Huckabee, Duncan Hunter, Alan Keyes, John McCain, Ron Paul, Mitt Romney, and Fred Thompson, for whom would you vote?

Would you say that you definitely plan to participate in the 2008 Republican presidential caucus, that you might participate in the 2008 Republican presidential caucus, or that you will probably not participate in the 2008 Republican presidential caucus?
