

TX Dems 12/11

Wednesday, 12 December 2007

Things may be moving around in the early states, but not in Texas. Almost no movement this month, though Edwards improves a bit at the expense of Richardson and Undecided. Not much to say beyond that, except that there is a pretty good chance that things will probably look very different next month if Clinton doesn't do well in Iowa.

- Clinton 51%
- Obama 17%
- Edwards 15%
- Richardson 8%
- Kucinich 1%
- Biden 1%
- Dodd 0%
- Gravel 0%
- Undecided 6%

510 previous TX Dem Primary voters polled 12/11. MoE 4.3%
